Healing by David Elliott

Healer and teacher David Elliott presents *Healing* to help empower you to rediscover health and well-being, to journey back to the natural state of balance and harmony that is called love. He guides you in connecting to the basic and profound message of Self-Love through personal stories, written exercises and guided meditations, leading you toward the deep insights and experience required to heal. The end result is inner peace, happiness, gratitude, and an opportunity to live life to the fullest.
