Do you want to thrive and have more trust, confidence and love? *Healing*, by spiritual teacher and healer David Elliott, is the perfect guidebook and companion for those seeking deeper purpose and healing in their life. *Healing* is simple, straightforward and genuine. The intention of the book is to empower you to rediscover health and well-being by connecting you to the basic and profound message of self-love and exchange. David supports the journey by sharing a combination of personal stories from his healing room, written exercises and guided meditations to help return the reader back home to their heart. *Read an excerpt from the book at [www.wisdom-magazine.com/Article.aspx/1684/](http://www.wisdom-magazine.com/Article.aspx/1684/)*
